Hinweise	<p>Special information on the manufacture subject to notification:</p> <p>The quality, efficacy and safety of medicinal products manufactured without a license must be ensured by the doctor or alternative practitioner. As the quality of a medicinal product is determined by the manufacturing process, manufacture must be carried out in accordance with the recognized pharmaceutical rules, in particular the European Pharmacopoeia.</p> <p>Therefore, appropriate and suitable spatial and hygienic environmental conditions are expected for the manufacturing process so that the quality of the manufactured medicinal product is not impaired. The traceability of the manufacture and, if necessary, testing and the use on the patient must be ensured by the available documentation.</p> <p>The manufacturing person is ultimately personally responsible for the quality of the medicinal product.</p>
Rechtsbehelf	<p>• Objection</p> <p>Further information on how to lodge an objection can be found in your cost assessment notice.</p>
