- Proof of health insurance coverage (for example, confirmation of health insurance coverage or insurance policy).
- For minors: Consent of all persons entitled to custody to the planned stay (declaration of consent); if the parents entitled to custody cannot submit the application jointly for their child, a written power of attorney of the absent parent is required; if only one parent is entitled to custody, the signature of this parent is sufficient.

The documents and information must always be submitted in German. In individual cases, the Aliens Department may require less or further proof.

If necessary, you will have to provide the Aliens' Registration Office with further proof of the family relationship as well as a justification of the exceptional case of hardship.

Voraussetzungen

In principle, the same requirements must be met for the extension of the residence permit as for the initial issuance of the residence permit. That is:

- You have the citizenship of a state outside the EU or the EEA.
- The person you are joining has German citizenship and usually resides in Germany.
- You still belong to the group of other family members of a German, i.e. you are neither his spouse nor a minor unmarried child. Other family members include, for example, adult unmarried children, siblings, parents, parents-in-law, grandparents, uncles, aunts, nephews, nieces, sisters-in-law and brothers-in-law, foster children. Fathers of natural German children who are not married to the mother are also eligible.
- Furthermore, there is a special case of hardship, for example, because your German family member is dependent on your help due to illness, disability or need for care.

Please note : Unfavorable conditions in your home country do not constitute a case of hardship.

- Your subsequent immigration still serves the purpose of establishing a family community with the German (e.g. shared apartment). In the case of a spatial separation only due to work and education or a support or care community due to accommodation in a care facility, a family life community can also be affirmed if you maintain regular contact with the German, which goes beyond a mere visit.
 - You can continue to secure your livelihood and health insurance coverage without claiming public benefits.
- Please note : In the case of family members who are minors, this requirement does not have to be met.
- There is no interest in deportation against you.
 - Your stay does not endanger or impair the interests of the Federal Republic of Germany

Kosten

- 96,00 Euro for a further stay of up to three months for applicants of full age
- 48,00 Euro for a further stay of up to three months for underage applicants
- 93,00 Euro for a further stay of more than three months for applicants of full age
- 46,50 Euro for a further stay of more than three months for applicants who are minors.

Remark:

Additional fees may apply for the issuance of a new residence permit in the form of the electronic residence permit (eAT card), which can also be used as electronic proof of identity.

The timing as well as the form of fee collection and payment vary depending on the authority.

In certain cases, fee reductions or exemptions may be considered (for example, for persons entitled to asylum or recognized refugees). Lower fees may apply for Turkish nationals.
