Teaser	You can participate in the creation or amendment of a land use plan.
Volltext	As a citizen or company, you can participate in the preparation, i.e. creation or amendment, of a land use plan. Your participation gives you the opportunity to contribute to the planning process. As a public authority or other public interest body, you will be asked to participate and submit your comments when an impact is identified. Either the responsible authority or the party responsible for the procedure would make this request. The intended urban development of a municipality is defined in the land use plan. The plan therefore shows how each part of the municipal area is to be used. Possible uses are • Residential, • commercial, • transportation, • infrastructure, • recreation or • nature and the environment. It generally consists of: • Indication of the planning objectives, • various maps on

Kosten	There are no costs.
Verfahrensablauf	As a citizen, interest group or company, you can register as of the public announcement • online, • in writing, • verbally or for the record on site at the competent authority or • orally during a public participation event on the land use plan or the urban land-use plan. As a public authority or public interest body, you will be contacted by the competent authority for the procedure if you are identified as being affected and requested to submit a statement, primarily electronically. After the deadline, the competent authority reviews the comments received. The municipal council then weighs up the comments and decides on them. Other private and public concerns are taken into account, for example those of affected citizens. You will be informed of the result of the consideration.
Bearbeitungsdauer	The duration of the procedure is variable and depends on the scope of the participations received.
Frist	30 Tag(e) The participation period for the public is at least 30 days. The participation period for authorities and other public bodies is at least 30 days from the request to submit a statement.
