Teaser	If you wish to practice medicine limited to the field of psychotherapy and do not have a license to practice as a psychotherapist or a license to practice as a doctor, you must apply for a permit to do so.
Volltext	Psychotherapy may only be practiced by persons trained for this purpose. You can practise it if you have a license to practice • as a psychotherapist or psychotherapist or • as a medical doctor. If you do not have this license, you can also work as a non-medical practitioner in psychotherapy. For this you need • an unrestricted license or • a license limited to the field of psychotherapy As a non-medical practitioner in the field of psychotherapy, you can help people in various crisis situations. However, the following are not permitted • the dispensing of pharmacy-only medicines • the prescribing of prescription medicines • issuing medical certificates or sick notes The professional title "psychotherapist" is protected. As a non-medical practitioner, you are not permitted to use this title.

Modul	Sachverhalt
