Teaser	If you wish to work permanently as a veterinarian in Germany, you must be licensed (approbiert) for this activity. You must apply for a license to practice in the federal state in which you wish to work as a veterinarian.
Volltext	If you wish to practise the profession of veterinary surgeon in private practice in Germany on an unrestricted and permanent basis, you will need a state license in the form of a license to practice. The license is issued by the federal state in which you wish to practice veterinary medicine.
Erforderliche Unterlagen	You will need the following documents to process the application: • Application for recognition • Valid identity document from a country recognized under international law • Brief curriculum vitae • B2 language certificate • a certificate of good conduct for submission to an authority of document type O (this must be requested from the residents' registration office responsible for your place of residence) • If you have been living in Germany for less than two years but in an EU member state, you must apply for a

Modul

Sachverhalt

European Certificate of Good Conduct

- a medical certificate, which must have been issued no earlier than one month before submission, stating that there are no indications that you are unfit in terms of health to properly exercise the profession
 - Certificates of the veterinary examination/veterinary diploma incl. transcript of records (proof of qualification or proof of training that entitles the holder to take up the relevant profession).
- If these are not written in German, additionally an officially certified translation into German (or English)
- If you have been registered with the police in the Federal Republic of Germany for less than 2 years, a corresponding criminal record extract from your country of origin (if this is not in German, an officially certified translation into German)

The documents can be submitted as copies. Some documents may only have to be submitted as officially certified copies or officially certified photocopies (available e.g. from your municipal/district administration) at the request of the authorities.

Voraussetzungen

- You have a degree in veterinary medicine
- You have successfully passed all the knowledge tests specified in a deficiency notice
- You have not been guilty of any behavior that makes you unworthy or unreliable to practice the veterinary profession
- You are medically fit to practise the veterinary profession
- You have the knowledge of the German language required for practicing the profession

Kosten

Verwaltungsgebühr: 110€ - 400€
 In accordance with the respective administrative fee schedule of the state or the fee statutes of the authorities responsible under state law. General administrative fee schedule for the state of NRW, tariff item 6.2.3.1
