The following persons or their authorized representatives must carry out the re-registration:

- in the case of sole traders, by the trader himself,
- in the case of legal entities, for example limited liability companies (GmbH), public limited companies (AG), by the legal representatives

In the case of partnerships, for example general partnerships (OHG), partnerships limited by shares (KG), partnerships under civil law (GbR), limited liability companies and limited partnerships (GmbH & Co. KG), all partners authorized to manage the business must register the business.
