Teaser	Under certain conditions, you can apply for an exemption from the animal health regulations for livestock exhibitions and livestock markets.
Volltext	If you are planning a livestock exhibition or a livestock market, certain requirements apply - for example regarding the venue or the veterinary examination of the animals. Under certain conditions, you can apply to the competent authority for an exemption from these requirements. With the exemption permit, you receive permission to hold your event despite deviating from certain regulations.

Hinweise

As the organizer, you must meet the following requirements for the event location if you do not have an exemption permit:

- The place where the livestock exhibition or livestock market is to be held or set up is fenced in such a way that the entrances and exits through which the animals can be moved are monitored.
- Paths and roads as well as places for loading and unloading livestock transport vehicles must be paved, easy to clean and disinfectable.
- A special area with a liquid-impermeable floor and pressurized water is available for cleaning and disinfecting vehicles.
- The floor of the area slopes down to a drain that is connected to the sewage system or another facility for the disposal of waste water.
- Rooms for the temporary accommodation of livestock have a liquid-impermeable floor and smooth, easy-to-clean and disinfectable walls.
- Accommodation rooms for livestock are adequately lit.
- Where necessary, the rooms are divided into pens and have facilities for tethering.
- There is a special room for isolating infected or suspect animals.
- Facilities for cleaning and disinfecting hands and footwear are available for people working on the drive.
- There is a suitable facility for storing animal by-products.

These farm animals belong to the livestock category:

- Horses, donkeys, mules, hinnies, zebras and zebroids,
- Cattle including bison, bison and water buffalo,
- sheep and goats,
- pigs,
- hares, rabbits,
- ducks, pheasants, geese, chickens, ratites, guinea fowl, partridges, pigeons, turkeys and quails,
- game birds,
- camelids.
