Teaser	Are you registered in the register of skilled crafts with a craft that requires authorization and would like to practice another craft? Then you can apply for a license to practice another craft under certain conditions.
Volltext	<p>Persons who already practice a craft subject to licensing and wish to expand their commercial activity to another craft subject to licensing or to essential activities of such a craft have the option of applying for a license to practice. In this respect, proof of the knowledge and skills required for this is required, whereby previous professional experience and activities are also taken into account. It is irrelevant on what basis the existing entry in the register of skilled crafts was made (e.g. master craftsman's certificate, old journeyman's regulation, exemption permit). The respective business owner is entitled to apply. by the Chamber of Skilled Crafts. If the evidence is not sufficient, you may be required to take an expert examination.

- After your documents have been checked, you will receive a license to practice and a notice of registration if the requirements are met.

Bearbeitungsdauer
Frist

You can only exercise the other craft requiring authorization once it has been entered in the register of crafts. An authorization to practice must therefore be applied for at an appropriately early stage.
