Teaser	<p>Would you like to become self-employed after completing an engineering degree or training to become a state-certified technician in a trade requiring a license? If so, you must first register with the Register of Craftsmen.</p>
Volltext	<p>If you wish to operate a craft requiring a license as a standing trade, you must be entered in the register of craftsmen.</p> <p>The Register of Craftsmen is a register kept by your local Chamber of Crafts.</p> <p>The Register of Craftsmen lists, among other things</p> <ul style="list-style-type: none"> • natural persons, • partnerships with legal capacity or • legal entities and • the name and qualifications of the company management. <p>Registration in the Register of Craftsmen is mandatory if you</p> <ul style="list-style-type: none"> • wish to exercise a craft requiring a license, • only want to practise the craft in part and • want to carry out essential activities of several trades, then for each of these trades. <p>If you practise several trades requiring a license, whether in part or as a whole, you must have each trade entered individually in the Register of Craftsmen.</p>

Modul

Sachverhalt

In addition, the management is recorded in the register of craftsmen. This person is responsible for the professional and technical management of the craft business. They must have the necessary professional qualifications to practice the craft requiring a license.

The following may be considered as management

- Owners of craft businesses or
- persons employed by the craft business

each with the appropriate qualifications.

In addition to a corresponding master craftsman's qualification, the following can be considered as proof of qualification for company management

- an engineering degree
- a degree certificate from a technical university or
- a certificate of having passed an examination to become a state-certified technician.

The focus of the training must correspond to the trade you wish to pursue with your company.

Voraussetzungen

- You must have successfully completed an engineering degree or training to become a state-certified technician.
- The focus of your training must correspond to the trade you wish to pursue with your company.

Kosten

The amount of the fees can be found in the fee schedule of the relevant Chamber of Crafts. Please contact the relevant Chamber of Crafts for more information.

Verfahrensablauf

You can apply for entry in the Register of Craftsmen in writing or, in some cases, online at your local Chamber of Crafts.

Please obtain information about the procedure from the relevant Chamber of Skilled Crafts. You can also have the necessary documents sent to you.

- Submit your application documents to your local Chamber of Skilled Crafts.
- The Chamber of Skilled Crafts will check your application for completeness and, based on the certificate, whether the focus of the qualification corresponds to the trade you wish to pursue.

Modul	Sachverhalt
	<ul style="list-style-type: none"> • In cases of doubt, you can submit evidence of individual achievements (such as seminar papers or dissertations) during your training as well as framework curricula and training regulations for the examination. • If you meet the registration requirements, you will be notified in advance of your expected registration. • Once you have been registered, you will receive a written certificate from your local Chamber of Skilled Crafts. Your business will receive the so-called craftsman's card. • If the registration is rejected, you will receive a notification from the local Chamber of Skilled Crafts.
Bearbeitungsdauer	If all documents are complete and no further procedure is necessary, the Chamber of Skilled Crafts must make the entry in the Register of Skilled Crafts within 3 months, otherwise the entry is deemed to have been made after this period has expired.
Frist	You must be entered in the Register of Craftsmen before starting work.
