Teaser	You have a right to know that the data a public authority processes about you, for example, is correct. Therefore, if you notice that inaccurate data about you is being processed, request that your data be corrected.
Volltext	The registration office is obliged to correct or complete incorrect or incomplete personal data. If you discover that the registration authority is processing incorrect or incomplete personal data about you, you can informally request that this data be corrected or completed. The authority will then check whether the data is indeed incorrect or incomplete. If this is the case, the data will be corrected or completed.
Erforderliche Unterlagen	In order to prove that the personal data processed are inaccurate or incomplete, it may be necessary to produce documents showing that the data are correct.
Voraussetzungen	The prerequisites for a correction are, on the one hand, incorrect or incomplete data and, on the other hand, the undoubted determination of the incorrectness or incompleteness. The registration authority must also be aware of the correct data.
Kosten	free of charge
Verfahrensablauf	Once you have requested rectification of inaccurate personal data and the authority establishes that the data are indeed inaccurate, the rectification will take place insofar as the authority is aware of the correct data. You will be informed of the result of the examination of
