Volltext	The Federal Agency for Technical Relief (THW) is financed by taxes as a federal authority in the portfolio of the Federal Ministry of the Interior and Home Affairs (federal budget). You can realize donations for the THW exclusively through the THW-Stiftung or the THW-Bundesvereinigung e. V. . The THW-Stiftung and the THW-Bundesvereinigung e. V. are non-profit organizations. Therefore, your donations are generally tax deductible. You can make both monetary donations and donations of materials. With donations to the THW-Foundation or to the THW-Bundesvereinigung e. V. you support • THW in fulfilling its tasks in national and international civil defense and disaster control; • Research projects as well as the cooperation of THW with universities; • disaster prevention measures, including in the field of environmental protection and nature conservation; • the recruitment and retention of young people for the voluntary work of the THW. You can send your monetary donations directly to the THW Foundation or to the THW-Bundesvereinigung e. V., indicating whether you would like to receive a donation receipt. For material donations, it is recommended to contact the THW-Bundesvereinigung e. V. in advance.
