Teaser	As a citizen, you can help shape the Federal Spatial Plan for Flood Protection. You can submit your comments on the draft plan.
Volltext	The Federal Government plans to improve flood protection in Germany. For this reason, the Federal Ministry of the Interior, for Building and the Home Affairs (BMI) is developing a cross-Länder Federal Spatial Development Plan for flood protection. During the preparation of the Federal Spatial Development Plan for Flood Protection, the public was involved at an early stage, e.g. citizens or nature conservation associations. In addition, interdisciplinary authorities and public bodies are involved. Notice: The participation procedure has been completed since 6 November 2020.
Erforderliche Unterlagen	none
Voraussetzungen	none
Kosten	none
Verfahrensablauf	The public and the public bodies affected in their interests had the opportunity to comment on the draft Federal Spatial Development Plan for Flood Protection and to submit their comments electronically via the internet by 6 November 2020. The Federal Ministry of the Interior, for Building and the Home Affairs (BMI) evaluates the comments and considers whether the draft plan should be amended.
Bearbeitungsdauer	The final spatial development plan will be issued as a
