Teaser	If you are a foreign recipient (creditor) of domestic investment income, you may be fully or partially relieved of capital gains tax under certain circumstances.
Volltext	<p>The Federal Central Tax Office (Bundeszentralamt für Steuern, BZSt) refunds the withheld and remitted capital gains tax that exceeds the withholding tax rate provided for under the treaty on the avoidance of double taxation applicable in the specific country or that is to be refunded under sections 43b or 44a(9) of the German Income Tax Act (Einkommensteuergesetz, EStG).</p> <p>The refund procedure is only applicable to certain domestic investment income that is subject to withholding tax.</p> <p>The refund of investment income tax may be excluded in the case of certain types of investment income (for example, profit participation rights or receivables from profit participation) or in the case of dysfunctional or insubstantial companies. This regulation is thus directed against tax arrangements through which an attempt is made to achieve relief from capital gains tax by taking advantage of treaty or directive benefits.</p> <p>You submit your application in writing to the Federal Central Tax Office (BZSt) using the official form.</p>
Erforderliche Unterlagen	The documents required for the refund vary depending on the information in your application and the regulations in the double taxation agreement.
