Voraussetzungen

To be able to count a person towards more than 1 compulsory job, you must meet the following requirements:

- Your company employs at least 20 employees.
- The person is severely disabled or equal to a severely disabled person.
- Multiple crediting is particularly applicable to the employment of people, who permanently require a special assistant to perform the employment, whose employment is not only temporarily associated with extraordinary expenses for your company, who are permanently only able to perform work at a significantly reduced level, who have a degree of disability of at least 50 solely as a result of mental or psychological handicap, who, due to the nature or severity of the disability, have not completed vocational training within the meaning of the Vocational Training Act, whose participation in working life is additionally impeded (for example, due to lack of a fixed abode, drug or criminal background).
- Employment can improve the possibility of participation in working life.
- You must specifically state what special difficulties have arisen with respect to obtaining the job. Reasons may include: a substantial reduction in performance as a result of the nature and severity of the disability in the workplace disability-related limitations cannot be compensated by the use of (technical) work aids substantial restriction in the field of activity or application substantially higher control or support expenditure special difficulties inherent in the person, such as criminal record, addiction disease
