Teaser	If you are severely disabled, you can retire without deductions before reaching the standard retirement age under certain conditions.
Volltext	<p>With the pension for severely disabled people, you can receive an old-age pension before reaching the standard retirement age with or without a reduction of up to 10.8 percent.</p> <p>If you were born between 1952 and 1963, the age limit for a pension without deductions will be gradually raised from 63 to 65.</p> <p>If you were born in 1964 or later, the age limit is 65. However, you can also claim the old-age pension for severely disabled people early - at the earliest 3 years before reaching the age limit for a full old-age pension for severely disabled people. However, you will then receive a maximum reduction of 10.8 percent.</p> <p>Special case of "protection of legitimate expectations":</p> <p>If you</p> <ul style="list-style-type: none"> <li>• were born before January 1, 1964,</li> <li>• were severely disabled on January 1, 2007 and</li> <li>• received an adjustment allowance for employees made redundant in the mining industry,</li> </ul> <p>you can continue to take your old-age pension for severely disabled people at the age of 63 without deductions for reasons of protection of legitimate expectations. With a reduction of 10.8 percent, you can then claim your pension early at the age of 60.</p>
