Sachverhalt

****What is a model project?****

Model projects are projects that are limited in time

- whose results are transferable to other educational institutions or funding areas
- and are intended to provide findings with regard to the development, testing, review, further development and transfer of methods and concepts.
- The funding is only valid for the period specified in the funding decision. Follow-up funding is not possible

You must submit your application for funding for your model project online or in writing to the BpB.

You can also submit the application as the authorized representative of your project sponsor. You will need an appropriate power of attorney for this. This must be signed by all authorized board members. If you have any questions regarding the project description and the financial plan, please contact the BpB's Funding Department.

Erforderliche Unterlagen

When applying, you must submit:

- detailed project description and planning
- financial plan

If you are applying for the grant as an association or organization (for example, as an educational institution):

- current annual financial statements or annual report for the previous year
- Proof of legal form and representation (e.g. excerpt from the register of associations, excerpt from the commercial register, articles of association, rules of procedure)
