## Sachverhalt

The Künstlersozialkasse compares the provisional subsidies paid with the actual subsidy entitlement. This may result in additional payments or reclaims.

If you do not submit the information and documents on time, the Künstlersozialkasse will reclaim the provisionally paid subsidies. You will also lose your current entitlement to a subsidy.

If you submit the documents retrospectively, a delayed subsidy settlement is possible. In this case, you can receive a provisional monthly subsidy again.

- Proof of the actual expenses for your private or voluntary statutory health and long-term care insurance. Note: If the Künstlersozialkasse has all the necessary information and documents, you can receive the statement of the subsidy earlier. To do this, you must submit the information and documents earlier. This is possible from January 1st of a year for the previous year.
