Kosten	Abgabe: Es fallen keine Kosten an There are no costs.
Verfahrensablauf	As a rule, you will receive a letter from the Künstlersozialkasse at the beginning of the year. In this letter, you will be asked to submit your annual registration for the artists' social security contribution for the previous year. Exception: You have been exempted by the Künstlersozialkasse from the obligation to submit annual zero returns. In this case, you will not receive a letter from the Künstlersozialkasse at the beginning of the year. As soon as you start making payments for artistic or journalistic works or services to self-employed persons again, you must send a remuneration report to the Künstlersozialkasse on your own initiative. Please determine the total amount of remuneration and state it in full euro amounts. You can submit your notification online or by post. Online notification: - Call up the online form on the federal portal verwaltung.bund.de. This will guide you step by step through the necessary information, which you can enter electronically. - Note: You will need a valid ELSTER certificate to log in to the online form. - It will take you about 5 minutes to complete the online form. - First enter your personal details, including your tax number. You will find this on the letter from the Künstlersozialkasse in the top right-hand corner. - On the next page you can then enter the amount of remuneration to be reported.
