Teaser	If you would like to know what information about you is stored in the National Firearms Register, you can apply for information.
Volltext	All important information on privately and commercially owned firearms requiring a permit is stored in the National Weapons Register. Among other things, the aim is to be able to quickly check for each firearm subject to authorization • who is currently the owner of the weapon, • how long they have owned the weapon, • where and from whom it was acquired and • the history of the weapon. If you are a natural person in possession of a firearms license or a firearm, you can request information about what data about you is stored in the register. Stored data can be • Data about the weapons authority from which you received permission to own/carry your weapon. These are, for example Name and address. • Data about you as the owner. These are, for example Name, address, date of birth, place of birth and nationality. • Data on your firearms license, for example on the type of permit Permit validity Permit status • Data on your weapon. These are for example Manufacturer name, model, weapon category and caliber designation. • Data on your weapon part. These are for example Manufacturer name, model, Weapon part category and Essential weapon part

Modul	Sachverhalt
	You can submit your application in writing, online or in person to the Federal Office of Administration (BVA).
Erforderliche Unterlagen	You must submit the following with your application • Proof of identity by: official certification of your signature on the application form or an officially certified copy of the front and back of your valid identity card or passport or electronic authentication with eID when applying online Please note: An official certification can be issued by an authority.
