(1R,2R)-(-)-chloropseudoephedrine the stereoisomers

of the listed substances with the exception of cathine,

where the existence of such forms is possible. the salts

of the listed substances, insofar as the existence of

such salts is possible and they are not salts of cathine.

substances of the above categories 2 and 3 or mixtures

containing these substances if they can be easily and

economically recovered therefrom.

- the import of mixtures of substances or natural products containing a Category 1 basic substance if it cannot be easily and economically recovered from it

More detailed information on the substances can be found in the relevant legal bases.

The handling of these substances and mixtures or natural products containing these substances may require

Modul	Sachverhalt
	<ul style="list-style-type: none"> • a permit or registration and • an export license may be required for exports to third countries.
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Application for a declaration of no objection • For mixtures or natural products: Certificate of analysis or safety data sheet or both For drop shipments of Category 1 commodities: Import authorization of the consignee in the third country (copy)
Voraussetzungen	<ul style="list-style-type: none"> • You are based in Germany. • When applying for a declaration of no objection for drop shipments of category 1 precursors: You have a permit. • When applying for a declaration of no objection for a category 2 precursor: You have a registration.
Kosten	There are no fees.
Verfahrensablauf	<p>You can apply for the declaration of no objection online or by post.</p> <p>Online:</p> <ul style="list-style-type: none"> • Call up the form via the federal portal. • Complete the application online, attach any documents as files and submit it online. • The BfArM will check your application. It will contact you if it requires further information. • If you are granted the declaration of no objection, the BfArM will issue the certificate. The authority will then send it to you by post. <p>By post:</p> <ul style="list-style-type: none"> • Send an informal application to the BfArM, together with any further documents required. • The BfArM will check your application. It will contact you if it requires further information. • If you are granted a declaration of no objection, the BfArM will issue the certificate. The authority will then send it to you by post.
Bearbeitungsdauer	2 - 3 Woche(n)
