help service.

If you try to find a replacement yourself, the LKK will reimburse the costs up to a fixed amount. Maximum amounts apply. Please note that no deployment costs are covered for relatives and in-laws up to the 2nd degree. The replacement employee must also be external to the company. This means that they must not otherwise work in your company or in your household or help out significantly.

If an illness jeopardizes the management of the company, benefits for business and household help are possible for a maximum of 4 weeks. In the case of inpatient treatment, for a maximum of 13 weeks. An extension is only possible due to special circumstances in the company or household. The persistence of the incapacity to work or the illness alone is not sufficient.

Erforderliche Unterlagen

- Application for farm and household help,
- if necessary, a medical certificate of illness that jeopardizes the management of the business. The doctor can use the forms available in the practice for this purpose. The agricultural health insurance fund also provides its own form,
- if necessary, the form "Information on self-procured replacement staff" if you have made your own efforts to find replacement staff;
- SEPA direct debit mandate;

Voraussetzungen

- Your company reaches the minimum size.
- Benefits for farm and household help are required to maintain the agricultural business or household.
- You are insured as an agricultural entrepreneur, agricultural business owner or correspondingly as a wife or husband or registered civil partner.

You are absent due to

- medically certified illness that jeopardizes the management of the company,
- hospital treatment,
- outpatient or inpatient preventive care or rehabilitation services provided by the LKK or
- pregnancy and maternity leave.

Notes:

- You cannot apply for farm and household help for activities in ancillary businesses, i.e. non-agricultural parts of the business.
- Even if you are insured elsewhere with the agricultural health insurance fund, you may be able to receive household help benefits. For example, if it is not possible to continue running the household due to a stay in hospital and a child under the age of 14 or a disabled child lives in the household.
- Domestic help is also provided if it is not possible to continue running the household due to pregnancy or childbirth.
- You must submit the application before the start of the assignment.

Kosten

There are no costs for the application.

If the agricultural health insurance fund provides a qualified replacement, it will cover the costs in full.

If no replacement employee can be provided, the LKK will reimburse the costs for a replacement employee from outside the company organized by you in a fixed amount. The actual cash benefits incurred are taken into account, in particular the remuneration for the work and travel costs. Benefits in kind, such as benefits in kind, are not taken into account. Maximum amounts apply for reimbursement.

Proven expenses are reimbursed up to a maximum daily amount of 2.95 percent of the applicable monthly reference value, rounded up or down to the nearest even euro amount.

In certain cases, you must make an additional payment for each day of use. If your personal limit is exceeded, you can be exempted from this obligation.
