Teaser	Do you run, represent or manage a railroad company? Then you are obliged to inform the Federal Railway Authority (EBA) about dangerous incidents.
Volltext	Railroad undertakings (RUs) and railroad infrastructure companies (RIUs) must report hazardous incidents in rail traffic to the Federal Railway Authority (EBA), so-called incident reports. Accidents and incidents must be reported on a quarterly basis; particularly serious hazardous incidents must be reported immediately. Incidents and accidents must be reported. When you report an incident, you must describe the incident. Please state • the consequences • the causes identified, • the measures taken.
Erforderliche Unterlagen	You do not have to submit any documents. However, if further reports and documents are required to process the incident report, the EBA will request these documents from you.
Voraussetzungen	You are • Railroad operations manager • Representative of railroad operations managers or • a safety manager in a railroad undertaking or a railroad infrastructure company.
