Teaser	If you need information on the current legal and procedural status of patents, utility models or trade marks, you can carry out online searches in the "DPMAregister" service.
Volltext	The "DPMAregister" database is made available to you by the German Patent and Trade Mark Office (DPMA). There you can search online for bibliographic data as well as legal and procedural status data on various publications. In the DPMAregister you will find information on: • patents and utility models patent applications disclosed as well as patents granted and utility models registered as of 1 January 1981 disclosed as well as granted patents of the GDR as of January 1, 1981 supplementary protection certificates for pharmaceuticals and plant protection products European patents topographies of microelectronic semiconductor products that were pending or in force on or after the cut-off date of December 31, 2010 • Trademarks registered German trademarks since January 1, 1998 registered German trademarks since October 1894, unless cancelled before January 1, 1995

Modul

Sachverhalt

German trademarks refused and withdrawn (excerpt)
 Union trademarks of the European Union Intellectual Property Office (EUIPO) internationally registered (IR) trademarks of the World Intellectual Property Organization (WIPO), if Germany or the European Union are designated

- Designs Register data for all registered and cancelled designs with filing date as of 01.07.1988 procedural data for all registered and cancelled designs as of January 1, 1998 complete representations of designs registered as of June 1, 2004
- Geographical indications of origin

By linking to the document archive "DEPATISnet", the published documents are also displayed for the individual entries. Thus, you can view patent and utility model specifications as well as disclosure documents.

In addition, the official publications of the DPMA - the Patent Gazette, the Trade Mark Gazette and the Design Gazette - are available online or can be downloaded as documents. DPMAregister also offers the possibility of electronic file inspection in patent and utility model proceedings.

For the search, you can choose from various options, from the beginner's search to the expert search. Register and procedural status data are updated daily, publication data weekly, parallel to the Patent, Trade Mark and Design Gazette.

Erforderliche Unterlagen

No documentation is required.

Voraussetzungen

There are no prerequisites.

Kosten

There are no costs involved.

Verfahrensablauf

DPMAregister you can use online and free of charge without registration.

- For the search you can choose between different modes, from beginner to expert search.
- The search results are configurable, sortable and downloadable hit lists. The current register information with the respective legal and procedural status is displayed for the individual hits.

Modul
Sachverhalt

- You can print or download the register entry. You will receive a complete register excerpt.
- By linking to the "DEPATISnet" database, the published documents, such as patent and utility model specifications and disclosure documents, are also displayed for the individual entries.
- In addition, the official publications of the DPMA in the form of patent, trade mark and design gazettes are available online via DPMAregister or can be downloaded as documents.
- Since 07.01.2014 you also have the possibility of electronic file inspection in patent and utility model proceedings.
- DPMAregister is updated on a daily basis. The legally required publications of disclosure or patent documents, the registration of utility models, trade marks or designs and the publication of the official patent, trade mark and design gazettes take place on fixed official publication days: for the IP rights patents and utility models usually on Thursdays, for the IP rights trade marks and designs usually on Fridays.
