| Handlungsgrundlage         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Teaser                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Volltext                   | <p>For people with disabilities, there is an almost nationwide infrastructure of disabled toilets. Since 1986 there has been the so-called "Euro-Behinderten-WC-Schlüssel" of the Darmstadt association "Club Behinderter und ihre Freunde e. V." (CBF e. V.), which makes it possible to open disabled toilets without having to rely on outside help or staff.</p> <p>Where disabled toilets can be found in Germany, Austria or Switzerland is shown by the disabled toilet guide "Der Locus", which is also distributed by CBF e.V.<br/> <a href="https://www.cbf-da.de/cbf-webshop/der-locus.html">https://www.cbf-da.de/cbf-webshop/der-locus.html</a><br/> <a href="https://www.cbf-da.de/cbf-webshop/der-locus.html">https://www.cbf-da.de/cbf-webshop/der-locus.html</a></p>                                                 |
| Erforderliche Unterlagen   | <p>When ordering, the following documents must be provided:</p> <ul style="list-style-type: none"> <li>• a copy of the severely disabled person's ID card or</li> <li>• a medical certificate in people with Crohn's disease or ulcerative colitis</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Voraussetzungen            | <p>Non-profit associations and self-help groups as well as disabled persons who are listed in their severely disabled person's ID card are entitled to work.</p> <ul style="list-style-type: none"> <li>• either one of the marks exceptional walking disability (aG), Entitlement to take an accompanying person with you (B), Helpless (H), Blindness(BI)</li> <li>• or the mark significant walking disability (mark G)</li> </ul> <p>have entered. People with disabilities without a mark, but with a GdB of at least 80, as well as people with a chronic illness, can also purchase the Euro key if they can present a medical certificate showing that they are dependent on the key.</p> <p>Note: If you have one of these marks aG, B, H, or BL, you will receive the key regardless of the degree of disability (GdB).</p> |

| Modul                        | Sachverhalt                                                                                                                                                                                                                                                                                         |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Kosten                       | The costs depend on the scope of the order and the amount of postage.                                                                                                                                                                                                                               |
| Verfahrensablauf             | <p>The order is placed via an electronic ordering process or by post.</p> <p>Associations or self-help groups must choose the electronic way of ordering.<br/> <a href="https://shop.cbf-da.de/">https://shop.cbf-da.de/</a><br/> <a href="https://shop.cbf-da.de/">https://shop.cbf-da.de/</a></p> |
