## Sachverhalt

the ban on work, you will receive this from the employment agency.

The following applies to employers:

- You must pay the compensation to your employees. You can have the amounts paid reimbursed by the competent authority.
- Contributions to pension, long-term care and health insurance can also be reimbursed.
- You can apply for an advance payment from the competent authority.

The following applies to self-employed persons:

- You will receive the reimbursement directly from the competent authority.
- Your last annual profit is taken into account for the calculation. This is divided by 12.
- You can have contributions to pension, long-term care and health insurance reimbursed.
- You will receive the compensation monthly in arrears on the 1st of the following month. For example, you would receive the compensation for March on April 1.
- You can apply for an advance payment.

The following applies to home workers:

- Unlike self-employed persons, your average monthly income is taken into account for the calculation.
