| Volltext                      | As a researcher, you have a legal right to receive a residence permit to look for a job. The residence permit will be issued to you for a maximum of 9 months directly following your previous research activities. This makes it possible to find a job that matches your qualifications. The aim of the search can also be self-employment. This residence permit allows gainful employment without restriction.                                                                                                                                                                                                        |
