Handlungsgrundlage	Water withdrawal charge laws of the federal states https://eur-lex.europa.eu/resource.html?uri=cellar%3A5c835afb-2ec6-4577-bdf8-756d3d694eeb.0003.02%2FD0C_1&format=PDF https://eur-lex.europa.eu/resource.html?uri=cellar%3A5c835afb-2ec6-4577-bdf8-756d3d694eeb.0003.02%2FD0C_1&format=PDF
Teaser	Depending on the federal state, you have to pay a fee for water withdrawals, surface extraction, surface discharge or discharge. This can be offset against the costs of water protection measures if all boundary conditions are met.
Volltext	For the withdrawal and discharge of water from an above-ground body of water, as well as the extraction, surface extraction, underground discharge and discharge of groundwater, a water abstraction fee may be levied in Germany. Whether and to what extent the water abstraction fee is levied is decided by the individual Länder. Likewise, whether and to what extent there is the possibility of offsetting measures for water protection.
Erforderliche Unterlagen	There is no uniform regulation in the federal states in which the water abstraction fee is levied.
Voraussetzungen	There must be an obligation to pay the water abstraction fee and a water protection measure(s) must be carried out.
Kosten	The amount of the fee depends in principle on the medium from which the water was taken (groundwater or surface water), the amount of water and the rate to be used in each case.
Verfahrensablauf	There is no uniform procedure of the federal states, as this depends on the specific legal requirements and structures in the individual states.
Bearbeitungsdauer	The processing time depends on the quality and scope of the submitted forms and documents.

Rechtsbehelf	
Kurztext	For the withdrawal and discharge of water from surface water, as well as the extraction, surface extraction, underground discharge and discharge of groundwater, a water abstraction fee can be levied in 13 out of 16 federal states. The fee can be offset against certain measures, which reduces the amount to be paid.
