Teaser	If you want to adopt an adult person, you and the person to be accepted can apply for this at the district court - family court.
Volltext	The adoption of an adult as a child (adoption) is pronounced by the family court at the request of the adopter and the adoptee. An adult may be adopted as a child if the assumption is morally justified. This is to be assumed in particular if a parent-child relationship has already arisen between the adopter and the adopter. The adult adoption is basically designed as an adoption with weak effects, i.e. the family relationships of the adopter to his biological family are not completely cut. Under certain conditions, however, it can also be pronounced as a full adoption, which leads to an almost complete integration into the family of the adopter.
Erforderliche Unterlagen	• Notarised application of the acceptor and the acceptor • In the case of a stepchild adoption, a notarized declaration of consent from the spouse of the adopter • Notarised declaration of consent of the spouse of the adopter
Voraussetzungen	• You may adopt an adult as a child if the acceptance is morally justified. • This is the case if a parentchild relationship has already been established.

Verfahrensablauf	You must submit the required documents as notarized declarations to the family court. • You can also instruct a notary to file the file. • If you have children of your own, the court will consider whether their overriding interests preclude the adoption. • This could be the case if the following claims were unduly reduced: • Maintenance claims • Inheritance rights • Even if the adopter has children himself/herself, the court examines whether their overriding interests preclude acceptance. Therefore, the children of both parties have a right to be heard. • If the conditions for an adult adoption are met, the court pronounces the adoption of the adult by order.
