	• House rules • Brochure • Land register excerpt or lease, rental agreement • Appointment of the data protection officer (§ 38 BDSG) • Designation of the Patient Safety Officer • If applicable, notification of inclusion in the Hessian hospital plan
Voraussetzungen	If the requirements according to § 30 Gewerbeordnung are met, a concession must be granted.
Kosten	Gebühr: 540€ - 15.000€ for permission Gebühr: 60€ - 1.800€ for the modification of a permit. For the implementation of the procedure, fees are to be charged in accordance with the Hessian Administrative Costs Act in conjunction with the Administrative Costs Ordinance for the business area of the Hessian Ministry of Social Affairs (VwkostO-HSM of 23.10.2012 – GVBl. I 2012 p. 356, in the current version). This also applies in the event of a rejection or withdrawal of the application. The fee is calculated on the basis of the actual time required and taking into account the economic importance of the official act for the recipient.
Verfahrensablauf	The application for licensing pursuant to § 30 GewO must be submitted to the respective regional council in whose area of responsibility the facility is to be operated. In the application procedure, it is checked, among other things, whether sufficient medical and nursing care is ensured in the clinic by appropriate personnel, whether the spatial conditions for a clinic operation are available and whether the operator is reliable under commercial law. This means that there must be no information that gives rise to fears that the clinic could not be operated properly. As part of this review, the relevant specialist authorities, such as the health authority, the building supervisory authority and the food control authority, are involved before the decision

	is made.
Bearbeitungsdauer	An exact processing time cannot be communicated, as this depends on the individual case.
Frist	There is no legal deadline. It is recommended to submit the permit application at least 6 months before the intended commissioning of the facility. The permit is granted indefinitely. Significant changes in the company, such as changes in ownership, management, spatial changes, etc. must be reported to the licensing authority and usually result in a change of license.
