| Teaser                        | <p>People in need of care who are cared for at home can receive up to 125 euros per month from the nursing care fund. The money can be used to relieve caring relatives or to promote the independence and self-determination of those in need of care in everyday life.</p>   |
| Volltext                      | <p>Persons in need of care in home care are entitled to a relief amount of up to 125 euros per month (i.e. a total of up to 1,500 euros per year). This also applies to persons in need of care of care level 1. The amount is earmarked for quality-assured services to relieve caring relatives and to promote the independence and self-determination of those in need of care in the organization of their everyday lives.</p> <p>If the monthly benefit amount has not been fully exhausted in one calendar month, the remaining amount shall be carried over to the following calendar months. Amounts of benefits which have not yet been used up at the end of the calendar year may still be carried over until the end of the following calendar half-year.</p> <p>The amount can be used for</p> <ul style="list-style-type: none"> <li>• day or night care services,</li> <li>• short-term care services,</li> <li>• services provided by authorised care services (in care levels 2 to 5 but not for self-sufficiency services),</li> </ul> |
