Teaser	The aim of the funding is to create a reliable, affordable and high-quality broadband infrastructure in underserved rural areas in order to strengthen the competitiveness of agricultural and forestry companies in particular.
Volltext	The aim of the funding is to enable the use of modern information and communication technologies in underserved rural areas by creating a reliable, affordable and high-quality broadband infrastructure, thereby strengthening the competitiveness of agricultural and forestry enterprises in particular. GAK funds are to be used in particular to support smaller broadband infrastructure projects at local or district level.
Erforderliche Unterlagen	The following required documents / evidence must be enclosed with the application: • Network plans (mapping documents) • Overview of locations • Proof of missing/insufficient broadband coverage • Proof of the market exploration procedure • Project cost calculation
Voraussetzungen	• They must not yet have started implementing the project. • Eligible areas are places and districts within the "Regional Rural Development 2023-2027" that are supplied with a lower downstream transmission rate (megabits per second, Mbit/s) than provided for in the applicable GAK framework plan.

Modul	Sachverhalt
Kosten	There are no fees.
Verfahrensablauf	You submit the application online via the customer portal of Wirtschafts- und Infrastrukturbank Hessen. • The application is then checked by Wirtschafts- und Infrastrukturbank Hessen (WIBank). • If the outcome is positive, Wirtschafts- und Infrastrukturbank Hessen (WIBank) will issue the funding approval.
Bearbeitungsdauer	
Frist	There is no application deadline for this funding program.
