Volltext	When taking in a foster child, foster carers receive one-off and flat-rate allowances/benefits. 1. When taking in a foster child, foster carers receive a one-off flat-rate allowance. The allowance covers • the renovation and initial furnishing of a room for the foster child • the initial provision of school supplies, • the initial provision of a bicycle, child seat, helmet, etc. The amount is paid out with the first care allowance. A separate application is not required. When a child is admitted up to the age of one, an additional lump sum can be granted upon informal application (initial equipment for infants). Needs in excess of these amounts are covered by the current care allowance. 1. • When a foster child is admitted, a one-off, age-dependent lump sum is paid for initial clothing.
