stayed in Germany to seek training.

The residence permit will be issued again for a limited period, but for no longer than a total of six months.

Erforderliche Unterlagen

In principle, the extension of your residence permit requires the submission of the same documents as for the initial issuance:

- Recognized and valid identity document (for example, passport or passport replacement).
- Current biometric photo in passport format (45 x 35 mm)
- Proof of subsistence (e.g. from own assets, payment of a security deposit into a blocked account, bank guarantee, letter of commitment, scholarship, allowances from third parties)
- Proof of health insurance coverage (for example, confirmation of health insurance coverage or insurance policy).
- Evidence of active search for an educational position.
- For minors: Consent of all persons entitled to custody to the planned stay (declaration of consent); if the parents entitled to custody cannot submit the application jointly for their child, a written power of attorney from the absent parent is required; if only one parent is entitled to custody, the signature of this parent is sufficient.
- Proof of German language skills on level B2 (for example language certificate)
- Proof of school-leaving qualification entitling the holder to university admission.
- Proof of departure and duration of stay abroad

The documents and information must generally be submitted in German. In individual cases, the Aliens' Registration Office may require less or further proof.

Voraussetzungen

In principle, the same requirements must be met for the extension of the residence permit as for the initial issuance of the residence permit. This means:

Modul

Sachverhalt

- You are still looking for a training place to carry out qualified vocational training (vocational training in a state-recognized or comparably regulated training occupation for which a training period of at least two years is specified).
- This total period of validity of your residence permit of six months has not yet been exhausted.
Alternatively, after leaving Germany you have stayed abroad for at least as long as you were previously in Germany on the basis of your residence permit.
- You have not yet reached the age of 25 at the time of application.
- You have a good knowledge of German at level B2 of the Common European Framework of Reference for Languages (CEFR).

 - School-leaving certificate entitling the holder to admission to higher education in the Federal Republic of Germany: This can be a German school leaving certificate acquired in the Federal Republic or a foreign school leaving certificate. The decisive factor is that the school-leaving qualification entitles the holder to access higher education (university and university of applied sciences) in Germany.
 - School-leaving qualification that entitles the holder to admission to higher education in the country in which the school-leaving qualification was obtained: This is to be determined by means of the anabin database. If the degree is listed in the anabin database, a formal examination of the certificate is not required. Only if the degree is not listed in the anabin database can it be examined on a case-by-case basis by way of individual examination by the competent certificate recognition bodies of the Länder.
- You can secure your livelihood and health insurance

- If the search for a training place is discontinued, a change in the purpose of residence is generally only possible to employment as a skilled worker in accordance with §§ 18a (skilled workers with vocational training) or § 18b (skilled workers with academic training) of the Residence Act and in cases of legal entitlement (for example for the purpose of studying). This does not affect the possibility of changing to a residence for the purpose of qualified vocational training (Section 16a Residence Act) after the search has been successfully completed.
