Teaser	If you are an engineer, you can become a surveyor under certain conditions.
Volltext	Surveyors check and certify that the floor area of the building and its elevation have been staked out on the property in accordance with the building templates. If the stakeout is carried out by the surveying expert himself/herself, the test is not required. If it is finally established that the certificate cannot be issued, the inspection experts inform the lower building supervisory authority.
Erforderliche Unterlagen	• Application for recognition and entry on the list of surveying experts • Data sheet • Curriculum vitae • Certificate of good conduct • Explanatory form • Consent to the use of personal data

Modul	Sachverhalt
	• Information on secondary establishments • Liability insurance • Completed Surveying Questionnaire • Proof of a degree at a German university or an equivalent degree at a domestic or foreign university in the field of surveying • Proof of at least two years of professional experience in the on-site execution of surveys • Proof of the required measuring instruments and tools • 10 reference projects to prove that during the last two years, stake-outs of buildings have been certified with reference to the property boundary
Voraussetzungen	You must have completed proof of an engineering degree in surveying at a German university or a degree equivalent in terms of professional qualification at a domestic or foreign university and have acquired at least two years of professional experience in the local execution of surveys in the real estate cadastre with reference to the border.
Kosten	Verwaltungsgebühr: 159€ - 265€ One-time procedural fee Verwaltungsgebühr: 125€ Annual fee
Verfahrensablauf	After you have submitted the application for registration as an audit expert, the Surveying Registration Committee will review your submitted 10 reference projects. After successful examination of the reference projects, you will receive your certificate of registration for surveying.
Bearbeitungsdauer	3 Monat(e) The prerequisite is that the documents are complete.
Frist
