Teaser	Relatives and close relatives of injured persons who have a degree of injury of 50 or higher, as well as surviving dependants, can receive health treatment benefits for non-injury-related consequences. You can find out more here.
Volltext	<p>Relatives (spouses as well as children and parents of injured parties) and close relatives of injured parties (siblings and persons living in a marriage-like relationship with injured parties) can receive the following benefits if the first injured party has a degree of injury of 50 or higher. The benefit is granted if you have no other insurance cover in the event of illness (e.g. lack of health insurance) or can no longer maintain it due to the consequences of the injury and the denial of benefits would represent an unreasonable burden.</p> <p>The degree of the consequences of the injury is assessed by medical experts.</p> <p>Surviving dependants (widows, widowers, orphans, parents and dependants) can receive the benefits listed below if they have no other insurance cover in the event of illness (e.g. lack of health insurance) or can no longer maintain it due to the consequences of the</p>

Sachverhalt

all the necessary documents to the competent authority (social compensation body). The authority will examine your application and decide on the granting of the benefit and its scope. You will receive a notification of the decision and, if applicable, information about the benefits granted as well as other necessary evidence.

You can apply for social compensation benefits online or in writing.

- If necessary, you can make an appointment with your contact person at the pension authority or at your responsible office.
- We will then discuss with you whether you are entitled to social compensation benefits and what support services can be offered.
- If necessary, the case management team can discuss the further procedure and possible entitlements to benefits with you that go beyond the general duty to provide information and advice.
- If you are entitled to social compensation benefits, your contact person will discuss the next steps with you.
- The contact person will provide you with the relevant documents. If necessary, complete the documents, enclose the required evidence or supporting documents and send the documents back to your contact person.

Bearbeitungsdauer

The prerequisite for processing is that all mandatory information has been provided. The processing time varies depending on the competent authority and the individual case. It is not possible to give an exact time and it depends on the complexity of the individual case.

Frist

There is no deadline.
