Volltext	<p>Educational leave is an important part of further training. Hessian employees are generally entitled to five days of paid leave from work per year to take part in educational events in accordance with the Hessian Educational Leave Act (HBUG). However, if the employee regularly works more or less than five days a week, the entitlement increases or decreases accordingly. Apprentices, persons similar to employees and employees in workshops for the disabled also have the same entitlement. The prerequisite for taking educational leave is that the educational event has been recognized by the Hessian Ministry of Labour, Integration, Youth and Social Affairs.</p> <p>Further information on educational leave can be found on the website of the Hessian Ministry of Labor, Integration, Youth and Social Affairs under "Bildungsurlaub Hessen". https://arbeitswelt.hessen.de/bildungsurlaub/ https://arbeitswelt.hessen.de/bildungsurlaub/</p>

Hinweise

Hessian private employment agencies have the option of having their wage costs reimbursed by the state of Hesse in two cases:

1. for time off to take part in recognized training courses for voluntary work
2. for micro and small companies (up to 20 employees) for time off to participate in recognized political education or professional development events

The Kassel Regional Council is responsible for the wage cost reimbursement procedure. You can find more information on the reimbursement procedure on their website.
