identification documents of the legal guardian

- for legal entities/companies:
 - Extract from the commercial register or
 - business registration or
 - extract from the register of associations
- Declaration on the collection of vehicle tax (SEPA direct debit mandate)
- Registration certificate part I (formerly vehicle registration certificate)
- Registration certificate part II (formerly vehicle registration document, if applicable a deregistration confirmation issued before October 1, 2005)
- Insurance confirmation for export vehicles
- Proof of a valid general inspection (HU) if the vehicle is older than three years or was previously registered as a rental vehicle, cab or similar for the entire term of the export registration. By means of the last general inspection report or according to the entry in the registration certificate part 1.
- For registered vehicles: additional license plate number

****Note:**** Severely disabled persons with the "H", "BI" or "aG" mark on their severely disabled person's pass continue to be exempt from motor vehicle tax. They do not have to issue a direct debit authorization.

****Note:**** You can obtain the insurance confirmation for your motor vehicle liability insurance from the insurance company of your choice. You can usually request this by telephone. The insurance company will be notified automatically.

Voraussetzungen

The prerequisites for registering the vehicle are

- You must not have any overdue fees and expenses from previous registration processes. If you have overdue payments of more than 30 euros, the registration authority may not register your vehicle until you have paid them. If the arrears are less than 30 euros, the registration authority can decide whether or not to register the vehicle.
- You must not have vehicle tax debts of five euros or

more. Late payment penalties, interest and late payment penalties are also taken into account when calculating the amount.

- If someone is to represent you when registering your vehicle, you must give this person written authorization. This must also contain a declaration of consent that the registration authority may inform the authorized person about overdue fees and expenses. Your representative must present the power of attorney and identify themselves.

- The vehicle must have valid proof of the main inspection (HU). If the due date of the main inspection is before the expiry of the export permit, you must submit the inspection report from an officially recognized inspection organization on the new main inspection.

Kosten

Fees according to administrative costs: from EUR 31.40

****Note:**** There are additional costs for the license plates.

Verfahrensablauf

You or your representative must apply for the allocation of an export license plate at the responsible registration authority. Depending on the services offered by your registration authority, you may be able to download a form or use an online service via the Internet.

The registration authority may require you to present the vehicle.

If the vehicle was previously registered, the registration authority will cancel the previous license plates. You will then receive the export license plate for the duration of the liability insurance, for a maximum of one year.

****Tip:**** You can obtain the license plates from private providers. You will usually find these near the registration authority.
