Teaser	If you want to fish/fish in Hessen, you must have a valid fishing license. You can apply for this from your local council.
Volltext	Anyone wishing to fish in Hesse requires a valid fishing license. The responsible municipality issues or renews this on application. The prerequisite is that a Hessian or Hessian-recognized fishing examination has been passed or that there are circumstances that make it unnecessary to take the fishing examination. If the respective legal requirements are met, the supreme fishing authority recognizes the state or state-recognized fishing examinations and fishing licenses of other federal states [see general decree of 21.07.2011 (StAnz. 32/2011 p. 1035)]. If you do not have the right to fish in the respective body of water, you also need a fishing permit from the fishing rights holder or the fishing leaseholder of the body of water.
