Teaser	Changes to your personal data (except in the case of a change of address alone) and certain technical changes to the vehicle must be entered in the registration certificate Part II (formerly the vehicle registration document).
Volltext	The owner data is also entered in the registration certificate part II. You must therefore enter any name changes there, for example. You are also obliged to indicate technical changes to the vehicle that change the EC vehicle category, engine capacity, rated power, fuel type or energy source.
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Registration certificate part I (formerly vehicle registration document), • Registration certificate part II (formerly vehicle registration document), • For companies, additionally business registration or extract from the commercial register, • Identity card or passport with registration certificate from the residents' registration office or (for foreign citizens) foreign identity card and registration certificate from the residents' registration office.

If you authorize a third party to enter the change, they will need a written power of attorney from you. They
