Modul

Sachverhalt

You can participate as follows:

- Opportunity for citizens, interest groups and companies to comment or
- Opportunity to comment for authorities and public agencies

You can submit your statements or comments on the development plan in the following ways:

- online,
- by post,
- orally or for the record at the competent authority or
- orally during a public event

As a public authority or public interest body, you will be contacted by the responsible authority if you have been identified as being affected and asked to submit a statement.

The comments and statements received will be collected and examined by the competent authority after the deadline. The authority then weighs up all the comments and makes a decision on them. Private and public interests are taken into account. You will be informed of the result of the assessment.

Bearbeitungsdauer

Frist

30 Tag(e)

Note (for further information on the deadline): The participation period for the public is at least 30 days. For authorities and other public bodies, the participation period is at least 30 days from the request to submit a statement.

Rechtsbehelf

Kurztext

- Development plan preparation

Modul

Sachverhalt

- The public, i.e. citizens and businesses, can comment on ongoing development plan procedures and express their views in the form of objections
- Participation can take place in person, online, in writing or by email
- Authorities and public agencies are requested by the responsible authority to comment on ongoing development plan procedures if they are affected
- Comments from authorities and public agencies can be submitted online or by post
 - how the land may be used,
 - which construction method the buildings must have,
 - what height the buildings may have
- A development plan specifies the following in text form for a construction area, for example:
 - Plan drawing consisting of various plans and maps showing the exact spatial division of the area.
 - Justification with, for example, details of the decisions and considerations
 - Environmental report with an assessment of the impact of the development plan on the environment
- The development plan also includes, for example
- Responsible: local authority in which the construction area described in the development plan is located
