Teaser	If you want to use the job title of medical-technical laboratory assistant, you need a permit. You can find out more here.
Volltext	The job title "medical-technical laboratory assistant", is regulated in Germany. This means that in order to work in Germany as a medical-technical laboratory assistant in Germany, you need a state permit. With this permit, you can use the job title and work in the profession. You must apply for it. As with all medical-technical professions, the professional license is issued after you have passed a state examination, provided you have the necessary health and personal aptitude (reliability). Areas of activity include Hospitals, medical practices
Erforderliche Unterlagen	
Voraussetzungen	The license is issued if you • have passed the state examination as a medical-technical laboratory assistant following training, • have not been guilty of any conduct that makes you

Modul	Sachverhalt
	unreliable to practice the profession, • are medically fit to practise the profession, • have the necessary knowledge of the German language to exercise the profession.
Kosten	Note: Depends on the respective administrative fee schedule of the state or the fee statutes of the authorities responsible under state law.
Verfahrensablauf	Once you have submitted the application and all the documents are complete, the competent authority will check whether you meet all the requirements. If you meet all the requirements, you will receive the permit. You may only start working once you have received the permit.
Bearbeitungsdauer	not defined. Several weeks on average.
Frist
