Teaser	If you wish to block the institution card (SMC-B) of your institution, you must contact your trust service provider.
Volltext	The institutional ID card (SMC-B) enables people working in the healthcare professions at an institution to access the telematics infrastructure (TI). The telematics infrastructure networks all participants in the healthcare system and will thus enable access to the electronic patient file (ePA) in the future, for example. You can only block your institutional ID card (SMC-B) with the trust service provider from which you received the card. To block the card, please use the application/customer portal of your trust service provider on their website
