Volltext	If you establish a limited partnership (KG), you are obliged to apply for its registration in the commercial register. Only after registration does the KG come into existence and have full legal capacity. On the other hand, the registration of a KG that already operates a commercial business is merely a legal document, since the company already exists prior to registration.
Erforderliche Unterlagen	The registration of a limited partnership shall contain: • the surnames, first names, dates of birth and places of residence of all partners • the name of the partnership and the place where it has its registered office, as well as the domestic business address • the power of representation of the shareholders • all limited partners and the amount of the contribution of each of them

Modul	Sachverhalt
	The registration must indicate the location of the business premises, which differs from the domestic business address, and the object of the company, unless this is evident from the company name.
Voraussetzungen	There must be a partnership agreement.
Kosten	The fees for registration in the Commercial Register depend on the registration effort.
Verfahrensablauf	Registration To apply, contact a notary public. • The notary will advise on the formulation of the application. • The application is made only electronically, for this purpose a publicly certified document is prepared. • The declaration is provided with an electronic signature (within the meaning of § 39a Beurkundungsgesetz/BeurkG) and sent to the electronic court and administrative mailbox of the registry court. Changes Significant details about your company, such as the registered office, legal form or authorized representatives, have changed? Then please have the commercial register entry corrected without delay. The entry is made in the same way exclusively by a notary public.
