soon as you start training at the driving school.

You can submit the necessary application to the driving license authority responsible for your place of residence at the earliest six months before reaching the minimum age for the desired driving license category.

You can take the theory test at the earliest three months and the practical test at the earliest one month before reaching the minimum age. There must be at least one month between the practical and the theoretical test. The practical test must be taken within 12 months of passing the theory test. Otherwise, the theory test loses its validity.

If you fail these exams, you can usually retake them after two weeks at the earliest. The number of retakes is not limited.

Erforderliche Unterlagen

- valid identity card, valid passport or other identification document
- current, biometric photo in 45x35mm format in portrait format, frontal shot, with neutral background without headgear
- Proof of first aid training
- Name of the owner and address of your driving school
- Proof of an eye test (optician or ophthalmologist; not older than two years at the time of application)

Voraussetzungen

You will be issued a driving license for the relevant category if you
