Teaser	If you have lost your workshop card, you can apply for a replacement card at the relevant office.
Volltext	<p>The workshop card is a tachograph card for</p> <ul style="list-style-type: none"> • approved manufacturers of tachographs, • vehicle manufacturers, • workshops as well as • their responsible specialists such as installers or technicians. <p>The workshop card is used by your responsible specialists to install, test, calibrate and download data from digital tachographs.</p> <p>If your workshop card has been lost, you can apply for a replacement card from the responsible office as an entrepreneur or as a person authorized to represent the company or as an authorized representative. To do this, you must submit a current certificate of recognition or commissioning of the workshop for testing tachographs. This must not be older than 3 years.</p> <p>Your workshop replacement card remains valid until the same date as the lost original card - if it would have been valid for more than 6 months. The validity period does not start all over again.</p> <p>However, if the remaining term of the card is less than 6 months, you will get the card renewed. This is then valid again for one year.</p>

Sachverhalt

When the replacement card is issued, your previous card loses its validity. If you do find the workshop card again, you must return it to the responsible office or the Kraftfahrt-Bundesamt (KBA). You may not continue to use it.

When applying for a replacement workshop card due to loss, you as the company must provide proof that the assigned specialist - is still employed by you and has been trained in accordance with the tachograph card and recording equipment training guidelines. The training certificate must not be older than 3 years.

The workshop card is PIN-protected. The personal PIN number is sent to the employee's home address. Employees may only have one workshop card per employment relationship and may only use it there. The workshop card is the property of the company.
