Teaser	In order to be appointed and active as a dangerous goods safety adviser, you must have proof of training. The training certificate will be issued to you after participation in a training course and a successful examination by the IHK.
Volltext	<p>As soon as a company is involved in the transport of dangerous goods, a dangerous goods adviser must be appointed. The training certificate of the dangerous goods adviser must correspond to the mode of transport on which the company transports dangerous goods.</p> <p>There are training courses and examinations for the</p> <ul style="list-style-type: none"> • Road traffic • Rail transport • Inland waterway transport and • Maritime transport <p>You can take the exam as an initial examination, supplementary examination and repeat examination. During the initial inspection, you must provide proof of at least 22.5 hours of training for the tested mode of transport. If you already have a certificate, but would</p>

Sachverhalt

like to extend it to an additional mode of transport, take the so-called supplementary examination. For this, you must provide proof of 7.5 hours of training for the additional mode of transport. If you have a certificate of training that is about to expire, you can take an extension exam. For this, you must present your proof of training.

For the exam, please note the following points:

- The duration of the test depends on the number of modes of transport tested. It is between 100 minutes (one mode of transport) and 250 minutes (maximum four modes of transport) for the basic test and between 50 and a maximum of 125 minutes for the extension test. The duration of the supplementary examination is between 50 minutes (one mode of transport) and 150 minutes (maximum three modes of transport).
- The examination shall be carried out in writing. As a tool, you can use the relevant regulatory texts for the respective modes of transport as well as a non-programmable calculator. The use of other electronic aids is not permitted.

You can take the exam at any IHK in Germany, regardless of the training center and your place of residence.

Erforderliche Unterlagen

For basic, supplementary and repeat examinations:

- Copy of the course confirmation of the training organizer, the original must be submitted to the IHK on the day of the examination

For supplementary and extension examinations:

- the copy of the current training certificate for dangerous goods officers, the original must be submitted to the IHK on the day of the examination

Voraussetzungen

Basic examination

- Completed training with a recognized training operator for the respective mode of transport of at
