Teaser	The state of Saxony-Anhalt unintentionally supports childless couples in financing fertility treatment. Find out more about the requirements here.
Volltext	Unintentionally childless couples can receive support from state and federal funds in the financing of assisted reproduction measures (fertility treatment). The subsidies can be paid to married couples as well as to couples living in a non-marital partnership. What subsidies are there? You will receive up to 50% of your own contribution back. However, the maximum amount of the subsidy is • 800 Euro for in vitro fertilization (IVF treatment) or • 900 Euro for intracytoplasmic sperm injection treatments (ICSI treatments) The funding is granted for the 1st to 3rd treatment
