Teaser	Would you like to find out more about admission to a vocational high school? Read all the important information here.
Volltext	<p>At the vocational high school you acquire the general university entrance qualification (Abitur). The general education subjects are extended by so-called profile subjects. They differ in the respective discipline. The vocational grammar school is intended to support you in choosing a career and a course of study.</p> <p>Attendance at the vocational high school lasts 3 years and is divided into</p> <ul style="list-style-type: none"> • a one-year introductory phase (school year 11) • and a two-year qualification phase (grades 12 and 13). <p>Lessons take place in courses. The achievements of the 2nd and 3rd year at the vocational high school (qualification phase) count towards the Abitur.</p> <p>**The following disciplines are available:**</p> <ul style="list-style-type: none"> • **Health and social affairs** • **Technology** (Depending on the possibilities of the school, the field of technology can be led in the focus areas of engineering sciences and information technology.) • **Economy** <p>With the Abitur you can study at colleges and</p>
