Teaser	Health insurance companies offer services for the prevention of diseases for mothers and fathers.
Volltext	As measures for the prevention of diseases, health insurance companies offer spa stays. These include: • Mother-child cures (measure) • Father-child cures (measure) Children can travel either for their own treatment or (usually up to the age of 12 years) as an accompanying person. As a rule, the health insurance companies select a suitable spa clinic, but take individual wishes into account. A cure lasts three weeks. For this time, you do not have to submit leave to your employer. The permit is valid as a certificate of incapacity for work.
Erforderliche Unterlagen	The necessary documents are prepared by the attending physician.
Voraussetzungen	For mothers and fathers: • Their health is severely weakened. This condition could probably lead to illness in the foreseeable future. • a disease that has already occurred should not worsen • Need for care threatens For the carriage of children: • You are a legal guardian
