Teaser	You have a right to have the data processed by an authority, for example, correct. Therefore, please request the correction of your data if you notice that incorrect data is being processed by you.
Volltext	The registration authority is obliged to correct or complete incorrect or incomplete personal data. If you discover that the registration authority processes incorrect or incomplete personal data about you, you can request the correction or completion of this data informally. The authority then checks whether the data are incorrect or incomplete. If this is the case, the data will be corrected or completed.
Erforderliche Unterlagen	In order to prove that the personal data processed are inaccurate or incomplete, it may be necessary to provide documents revealing the correct data.
Voraussetzungen	Prerequisites for correction are, on the one hand, incorrect or incomplete data and, on the other hand, the unequivocal determination of the inaccuracy or incompleteness. The registration authority must also be aware of the correct data.
Kosten	free of charge
Verfahrensablauf	As soon as you have requested a correction of inaccurate personal data and the authority determines that the data is indeed inaccurate, the correction will

Modul	Sachverhalt
	be made if the authority is aware of the correct data. You will be informed of the outcome of the examination of your request for correction. The registration authority also informs those public bodies to which the incorrect or incomplete data have been transmitted within the framework of regular data transmissions in accordance with the Federal Registration Act.
Bearbeitungsdauer	Small. In simple cases, correction shall be made without delay; however, it may take time to verify whether the personal data is inaccurate and to identify the correct data.
Frist	none
